

SHORT TERM EMERGER MEMBERSHIPS

Emerger Memberships are designed to provide short term, one-time access to the Club for anglers that would like to “test the waters” first. There are FOUR different levels of Emerger Memberships to choose from. These include One-, Two-, Three- and Six-Day Memberships.

“... great accommodations, friendly staff, skilled guides and exceptional dining, all combined beautifully...”

ONE-DAY “MEMBER-FOR-A-DAY” MEMBERSHIP

The best form of advertising is word of mouth. Here are a few words from recent first time visitors to the Club. *“...a perfect introduction to trout fishing for her. Brad was wonderful and very patient...”* *“...What fishing!!! Please send me membership information when possible...”* *“...Can't wait to get back out...”* Well, we couldn't say it any better ourselves.

For a Limited Time we are offering the Member-for-a-Day Package at 50% off the normal rate. For as little as \$475 per angler you will get a nights lodging, guided fishing on the Club's private property, breakfast, lunch and any equipment you need to use. Come experience the Club like a member....for a day!

TWO & THREE DAY EMERGER MEMBERSHIPS

The Two- or Three-Day Emerger Membership allows a prospective member and guest to enjoy private flyfishing access to the Club's portfolio of 75 miles of the best trout and steel-head waters in the Lower 48 states, before committing to a permanent membership. Each day includes 8 hours of guided fishing on a private Club property, Club lodging each night, breakfast, lunch and any equipment you need.

Prices begin at \$1,798 per angler for Two Days and \$2,397 per angler for Three Days.

SIX-DAY EMERGER MEMBERSHIPS

The Six-Day Emerger Membership allows a prospective member and a guest to enjoy six days of private flyfishing access to the Club's portfolio of 75 miles of the best trout and steel-head waters in the Lower 48 states, before committing to join. The six-day member has three years to use the access to the Club. These days can be taken all at one time or used two to four days at a time. Each day includes 8 hours of guided fishing on a private Club property, Club lodging each night, breakfast, and lunch.

The price of \$8,900 for the Six-Day Membership provides access for two anglers each day.

Each of the three levels of Emerger Memberships can be purchased only once by an individual angler. For example, if you visit the Club as a Member-for-a-Day and would like to return, you must purchase at least a Two-Day Emerger Membership the next visit.

Once you decide to apply for a Horizon Membership, a portion of the purchase price of the Emerger Membership can be applied toward the required Horizon Deposit. One to Three-Day Emerger visits require upgrading within 30 days. Six-Day Emerger visits can be applied up to one year.

For more information on any of these Horizon Memberships please call Mike Harpster at 814-686-6214.

HORIZON MEMBERSHIPS

Horizon Memberships are ongoing memberships for fly fishing anglers and families. The Horizon Levels were created to fit the needs of the time-starved angler and the fly fishing family, as well as the business owner in need of a unique way to entertain clients and associates.

The **7-day**, **14-day** and **21-day** are best suited for the fly fishing individual or family.

“...the fishing was amazing. I quickly realized that my 24 inch measuring tape was woefully inadequate...”

HORIZON 7

A Horizon 7 Membership is designed for the fly fishing angler that has a limited amount of time to fish due to the demands of family and work. It provides 7 days of access to any Club water for the member and a guest each day. Annual dues for this membership include a guide for each day of access. When compared to the cost of a week of fishing at lodges or outfitters offering private fishing experiences around the world, this membership provides the member the flexibility to use the 7-days of access anytime, taking several shorter trips to different Club locations.

Deposit required for a Horizon 7 is \$19,500. It is 70% refundable or harvestable. Annual dues are \$7,400 and include a guide on each of the 7 days of access.

HORIZON 14

A Horizon 14 Membership is designed for the fly fishing family that has a limited amount of time to dedicate to fly fishing each year. Members have access to all Club waters and this membership provides an expanded definition of direct family compared to the Horizon 7 Membership. In addition, a Horizon 14 Member can make reservations up to six months in advance and schedule space-available reservations as many as five days in advance.

Deposit required for a Horizon 14 is \$39,500. It is 80% refundable or harvestable. Annual dues begin at \$9,000 and include a guide for 7 of the 14 days of access.

HORIZON 21

A Horizon 21 Membership is currently the highest level individual/family membership the Club offers. It is designed for the fly fishing family and provides the broadest definition of direct family. Members may sponsor guests at the Club, reserve dates up to a year in advance, and schedule space-available reservations as many as ten days in advance.

Deposit required for a Horizon 21 is \$59,500. It is 90% refundable or harvestable. Annual dues begin at \$10,000 and include a guide for 7 of the 21 days of access.

For more information on any of these Horizon Memberships please call Mike Harpster at 814-686-6214.

HORIZON CORPORATE MEMBERSHIPS

Horizon Corporate Memberships are ongoing memberships designed for the fly fishing business owner or executive who would use the Club for client entertainment, executive business meetings and/or personal enjoyment. These memberships have built in features that accommodate business use of the Club such as, multiple designees per membership; no additional guest fees for bringing or sponsoring guests; a generous number of days of annual access.

“...cannot thank you enough for the incredible hospitality to go along with the opportunity to fish your world class fishery...”

HORIZON 30 CORPORATE

The Horizon 30 Corporate Membership provides membership privileges for two designees. Each designee is treated like a member of the Club. They will have scheduling privileges and can be certified to fish without a guide on guide-optional waters. As a Horizon 30 Corporate Member you have access to all Club water in Pennsylvania, Ohio and Colorado and the ability to make reservations up to a year in advance. You may have up to six reservations at a given time, and may schedule space-available reservations up to five days in advance.

The membership fee required for a Horizon 30 Corporate Membership is \$40,000. It is non-refundable and non-harvestable. There are two levels of annual dues: \$23,500, which includes a guide for up to two anglers for 14 of the 30 days of access, or \$29,500, which includes a guide for all 30 days of access.

HORIZON 45 CORPORATE

The Horizon 45 Corporate Membership provides membership privileges for three designees. Each of the designees will be treated like a member of the Club. They will have scheduling privileges and can be certified to fish without a guide on guide-optional waters. As a Horizon 45 Corporate Member you have access to all Club water in Pennsylvania, Ohio and Colorado, and the ability to make reservations up to a year in advance. You may have up to eight reservations at a given time, and may schedule space-available reservations up to five days in advance.

The membership fee required for a Horizon 45 Corporate Membership is \$50,000. It is non-refundable and non-harvestable. There are two levels of annual dues: \$33,500, which includes a guide for up to two anglers for 21 of the 45 days of access, or \$43,500, which includes a guide for all 45 days of access.

For more information on either of these Horizon Corporate Memberships please call Mike Harpster at 814-686-6214.
