

# HORIZON MEMBERSHIP PROGRAM

The Horizon category of memberships have been designed to suit the needs of a wide array of fly fishing anglers and their families. There are membership levels that provide as few as 7 days of access annually to Corporate levels providing as many as 45 access days.

The Horizon 7 Membership serves as our entry level Horizon Membership. Originally designed for the fly fishing angler that has a limited amount of time to fish due to the demands of family and work. The membership provides 7 days of access for a member and a guest to guide-optional and guide-required beats each year. Plus, unlimited access to the Club's open-water designated beats. Annual dues for this membership include a usage credit of \$3,500 that can be used towards fees for lodging, guides, meals, etc. The Horizon 7 provides the member the flexibility to use the 7-days of access any time of year and in any combination of lengths that add up to 7 days of use at any of the Club's locations in Pennsylvania. Reservations may be made up to 90 days in advance during peak seasons and one year in advance during other times of the year. Members may have one outstanding reservation in the system at a time during peak seasons.

The only level of membership offered to new member applicants is the Horizon 7 Membership. We've learned this is the best way to assimilate new Members to the Club, and insures a new member does not over commit to the amount of access they will need.

After one full year of membership in good standing a Member may choose to upgrade to the Horizon 14 or 21 Membership based on current availability.

Deposit required for a Horizon 7 is \$29,500. It is 70% refundable or harvestable.

Annual dues are \$9,500 including the \$3,500 annual usage credit.

Privileges and fees for Horizon 14 and 21 Memberships will be provided upon request.

Please contact the Club's Membership Director, Mike Harpster, for up to date information on membership availability at (814) 686-6214 or email him at [mharpster@homewaters-club.com](mailto:mharpster@homewaters-club.com)
